INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Netball Federation of India

We have audited the accompanying financial statements of M/s Netball Federation of India ('the Society'), which comprise the Balance Sheet as at March 31, 2025 and the Statement of Income & Expenditure for the period, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Society's Governing Body is responsible with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position of the Society in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of applicable laws, the accounting and auditing standards and matters which are required to be included in the audit report. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Society preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Society has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the

accounting estimates made by the Society Management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Society as at March 31, 2025, and
- (b) in the case of the Statement of Income & Expenditure, of the excess of income over expenditure for the financial year ended on that date.

INDEPENDENT AUDITOR'S REPORT

To the Members of M/s Netball Federation of India

We have audited the accompanying financial statements of M/s Netball Federation of India ('the Society'), which comprise the Balance Sheet as at March 31, 2024 and the Statement of Income & Expenditure for the period, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Society's Governing Body is responsible with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position of the Society in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Society and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of applicable laws, the accounting and auditing standards and matters which are required to be included in the audit report. We conducted our audit in accordance with the Standards on Auditing, issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Society preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Society has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the

accounting estimates made by the Society Management, as well as evaluating the overall presentation of the financial statements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Society of Persons as at March 31, 2024, and
- (b) in the case of the Statement of Income & Expenditure, of the excess of income over expenditure for the financial year ended on that date.

AUDITOR'S REPORT

To,
THE MEMBERS OF
NETBALL FEDERATION OF INDIA
112D, EKTA ENCLAVE, PEERAGHARI,
NEW DELHI-110087

Report on the Financial Statements

We have audited the accompanying financial statements of **NETBALL FEDERATION OF INDIA** which comprise the Balance Sheet as at 31st March, 2023 and the Statement of Income & Expenditure account for the Period 01.04.2022 to 31.03.2023. These Financial Statement are the responsibility of the Society Our responsibility is to express an opinion in these financial statement based on our audit.

We conducted our audit in accordance with the Standards on Auditing generally accepted in India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material mis-statement. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. An audit also enclosed evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India;

- a) In the case of the Balance Sheet, of the state of affairs of the Society as at March 31, 2023.
- b) In the case of the Statement of Income & Expenditure Account, for the year ended on that date.
